**AB 86 Adult Education Consortium RFP**

Vice President Ellison distributed a copy of the *Certification of Eligibility Instructions, Term and Conditions for the AB86 Adult Education Consortium Planning Grant* and provided a summary of the AB86 legislation, which will change and enhance linkages and the way adult education students are served. Legislation has been put in place to improve adult education and funds have been committed for California K-12 and community college districts to develop regional consortia. Partners can include community based organizations and be of any size. The RFP will provide funds for **planning** the plan for the consortia. The San Diego Community College District (SDCCD) is partnering with the San Diego Unified School District (SDUSD) in this endeavor. The grant award allocated for the SDCCD is $439,517. This figure is based on regional population using census data. The handout goes into detail regarding parameters and timelines. At this time, President Beebe, Academic Senate President Timothy Pawlak, Consultant Rudy Kastelic and SDUSD Adult Education Manager Marc Gottuso are completing the RFP for submission to the State. The RFP documents are due February 24, with the allocation of funds scheduled around March 1. After the funds have been disbursed, the consortium have a year in which to spend the funds and develop the plan, and then implement the plan by July 2015.
